COMPLAINT

A civil action between these parties or other parties arising out of the transaction or occurrence alleged in the complaint was previously filed in this Court, Case No. 08-095122-CK.

  
Joshua R. Terebelo (P72050)

Plaintiff Walbridge Aldinger Company ("Walbridge Aldinger"), by and through its undersigned counsel, Wienner & Gould, P.C., brings this Complaint against defendant

GETRAG Getriebe-und Zahnrädfabrik Hermann Hagenmeyer GmbH & Cie KG (“Getrag”), for Breach of Contract, and states as follows:

**PARTIES**

1. Walbridge Aldinger is a Michigan corporation that is authorized to conduct business and regularly conducts business in the State of Michigan.
2. Getrag is a limited partnership organized under the laws of Germany. Getrag regularly conducts business in the State of Michigan.

**JURISDICTION AND VENUE**

3. Subject matter jurisdiction in this Court is proper pursuant to MCL § 600.605 as the amount in controversy exceeds \$25,000 exclusive of interest and costs.
4. This Court has personal jurisdiction over Getrag pursuant to MCL §§ 600.711, 600.715 and 600.721, because Getrag has transacted business within the state, and the claims in this Complaint relate to such business dealings.
5. Venue is proper in this Court pursuant to MCL § 600.1621.

**BACKGROUND**

6. In early 2007, Chrysler Group LLC (“Chrysler”), and Getrag decided to jointly develop a Getrag manufacturing plant in Tipton, Indiana (“Tipton Plant”) for the purpose of manufacturing dual clutch transmissions (“DCTs”) in Chrysler vehicles.

7. Consistent with this objective, Getrag formed a domestic limited liability company called Getrag Transmission Manufacturing LLC (“GG LLC”), which, upon information and belief, Getrag established to own and operate the Tipton Plant.

8. Getrag wholly owns GG LLC and directly controls and directs GG LLC.
9. GG LLC was insolvent without Getrag’s financial assistance.

10. With Getrag's financial assistance, GG LLC was severely undercapitalized.

11. In early 2007, representatives of Getrag requested that Walbridge Aldinger provide construction management services relating to the Tipton Plant.

12. In sole reliance upon Getrag's pledge of credit, Walbridge Aldinger agreed to perform construction management services relating to the Tipton Plant.

13. Walbridge Aldinger is party to numerous purchase orders, some issued by Getrag and other purchase orders subsequently issued by the start-up GG LLC.

14. This action concerns two purchase orders, nos. 4500165389 and 4500166665 dated April 17 and 30, 2007, respectively, issued by Getrag to Walbridge Aldinger (collectively, "Purchase Orders"). True and accurate copies of the Purchase Orders are attached hereto as Exhibit A.

15. Getrag issued the Purchase Orders for invoicing and payment of Walbridge Aldinger's subcontractors, management fees, general liability insurance, and reimbursables.

16. Pursuant to the Purchase Orders, Walbridge Aldinger retained subcontractors, and provided construction management and other services to construct the Tipton Plant.

17. Walbridge Aldinger has fully performed its obligations under the Purchase Orders, and has at all times acted in good faith.

18. Getrag, however, has breached the Purchase Orders by refusing to pay Walbridge Aldinger.

19. As of December 17, 2009, Getrag is indebted to Walbridge Aldinger in the amount of \$5,517,256.63, plus accrued and unpaid interest, late charges and attorneys' fees as allowed under applicable law.

**COUNT I**  
**BREACH OF CONTRACT**  
**(Express Contract)**

20. Walbridge Aldinger incorporates herein paragraphs 1 through 19 of the Complaint.

21. Walbridge Aldinger and Getrag are parties to a contract evidenced by the Purchase Orders.

22. Walbridge Aldinger has fully performed its obligations under the Purchase Orders, and has at all times acted in good faith.

23. Getrag has breached its obligations under the Purchase Orders by failing to pay Walbridge Aldinger for services that Walbridge Aldinger provided to Getrag.

24. As a result of Getrag's breaches, Walbridge Aldinger has been damaged.

25. As of June 22, 2009, Getrag is indebted to Walbridge Aldinger in the amount of \$5,517,256.63, plus accrued but unpaid interest, late charges and attorneys' fees.

WHEREFORE, Walbridge Aldinger respectfully requests that the Court enter judgment in Walbridge Aldinger's favor against Getrag in the amount of \$5,517,256.63, plus accrued but unpaid interest, late charges and attorneys' fees as allowed under applicable law.

**COUNT II  
BREACH OF CONTRACT  
(Implied in Fact Contract)**

Walbridge Aldinger presents this count by way of alternative pleading in the event the Court finds that no express contract existed between Walbridge Aldinger and Getrag.

26. Walbridge Aldinger incorporates herein paragraphs 1 through 25 of the Complaint.

27. Through their conduct, Walbridge Aldinger and Getrag entered into an implied in fact contract whereby Getrag retained Walbridge Aldinger to perform construction management services related to the Tipton Plant ("Implied Contract").

28. Walbridge Aldinger has fully performed its obligations under the Implied Contract, and has acted at all times in good faith.

29. Getrag has breached its obligations under the Implied Contract by failing to pay Walbridge Aldinger for services that Walbridge Aldinger provided to Getrag.

30. As a result of Getrag's breaches, Walbridge Aldinger has been damaged.

31. As of June 22, 2009, Getrag is indebted to Walbridge Aldinger in the amount of \$5,517,256.63, plus accrued but unpaid interest, late charges and attorneys' fees.

WHEREFORE, Walbridge Aldinger demands judgment against Getrag in whatever amount of damages the Court finds Walbridge Aldinger to be entitled, plus costs, interest, and attorneys' fees as allowed under applicable law.

**COUNT III  
UNJUST ENRICHMENT  
(Implied in Law Contract)**

Walbridge Aldinger presents this count by way of alternative pleading in the event the Court finds that no express or implied in fact contract exists between Walbridge Aldinger and Getrag.

32. Walbridge Aldinger incorporates herein paragraphs 1 through 31 of the Complaint.

33. Getrag has received benefits from Walbridge Aldinger in the form of construction management services provided by Walbridge Aldinger.

34. It is inequitable for Getrag to retain these benefits without compensating Walbridge Aldinger.

WHEREFORE, Walbridge Aldinger demands judgment against Getrag in whatever amount of damages the Court finds Walbridge Aldinger to be entitled, plus costs, interest, and attorneys' fees as allowed under applicable law.

**COUNT III  
ALTER EGO LIABILITY**

Walbridge Aldinger presents this count by way of alternative pleading in the event the Court finds that no express, implied in fact, or implied in law, contract exists between Walbridge Aldinger and Getrag.

35. Walbridge Aldinger incorporates herein paragraphs 1 through 34 of the Complaint.

36. GG LLC is wholly-owned and directly controlled by Getrag.

37. Getrag and GG LLC have substantially identical ownership, management, and business purpose.

38. GG LLC was insolvent and/or undercapitalized at all relevant times.

39. Getrag is unjustly attempting to avoid its obligations to Walbridge Aldinger through fraudulent corporate formalities, including misrepresentations to Walbridge Aldinger that Getrag is merely an agent of a disclosed principal, GG LLC, when, in fact, the converse is true. Namely, GG LLC is the agent of its principal, Getrag.

40. To prevent injustice, Getrag should be held liable as the alter ego of GG LLC.

WHEREFORE, Walbridge Aldinger demands judgment against Getrag in whatever amount of damages the Court finds Walbridge Aldinger to be entitled, plus costs, interest, and attorneys' fees as allowed under applicable law.

**DEMAND FOR JURY TRIAL**

Walbridge Aldinger, by its undersigned attorneys, hereby demands a trial by jury in above-entitled action.

Respectfully submitted,

WIENER & GOULD, P.C.
